Dear Sir,

In reply to your D.O.letter No.2659 dated the 16th instant enquiring if there is any objection to placing Mr.K.V.Anantaraman, in charge of the Bangalore District Treasury, I am to state that it is not advisable to put him so soon in independent charge of the District Treasury as he is yet inexperienced and is now learning the Treasury work under the District -- Treasury Officer.

From

Assistant Commissioner and Civil Officer,

To

B.J.Kumaraswami Naik, Esq., B.A.,

Deputy Commissioner, Bangalore District.

Dated Bangalore, 25 February 1910.

Sir,

I have the honor to submit, herewith, my report on the Roya Field Artillery Practice Camp at Birsandra during December 1909.

The Batteries began to arrive at Birsandra from the 9th December 1909 and the Police arrangements were all complete by the 8th December 1909. The firing commenced on the 13th and clo on the 21st December 1909 both days inclusive.

As soon as I went into the camp I took immediate steps to have almost all the villages that had to be evacuated, inspected. I issued instructions to the Patels and Shanbogues in the matter of immediate report being made to me, after careful examination, of the existence in any of the villages to be evacuated of persons whose removal therefrom would be attended with inconvenience or danger to life in consequence of infirmity, advanced stage of -- pregnancy or the like, to enable me to request the Military -- authorities to change the direction of firing. Orders on this subject were also issued, for being observed by all their subordinates, to the Amildars of Devanhalli and Dodballapur and to Mr. Edwards, the Special Reserve Police Inspector in charge of the whole camp.

Almost every morning I visited a certain number of villages either to be cleared or kept in, to see if the Police were doing their duty. The District Superintendent of Police Mr.L.Krishna Rao, also accompanied me on several occasions and willingly co-operated with me and rendered me all the help that I needed.

C16

Owing to copious rainfall last year, there was a plentiful supply of water in the Birsandra and Alurdugganahalli tanks and this, in no way, necessitated the splitting up of the camp into sections. All the four Batteries(76th, 81st, 82nd and the 85th) and the ammunition column(10th) which had gathered at Birsandra ~~and~~ to take part in the Royal Artillery Practice were located in on place i.e. at Birsandra and formed themselves into one camp.

The villages that were evacuated are as follows:-

Rubbonhalli, Muddunaikenhalli, Sonnenhalli, Mayasandr Sannamadanahalli, Chikgollahalli, Linganahalli, Syanappana halli, Misaganahalli, Wajarahalli, Byadarahalli, Thyligere, Chinnakempanahalli, Shikayilhalli, Visvanathapura, Hosur, Managondahalli, Koira, Solur, Aruvanahalli and Bokipura.

Some of the above villages were evacuated once while the others were cleared more than once. The total amount of compensation paid by the Military authorities for the evacuation of villages is Rs.1,084-6-0 and the rate at which it is calculat is two annas a head per diem.

The amount of compensation paid for damage done to crops is Rs.357-8-9 as against Rs.292-0-4 of the previous year, the increase being due to copious rainfall, to the heavy growth of the standing crops, and to the prices of grains etc. continuing to rule high.

All the villages were placed out of bounds for all troops and followers. The toddy shops at Moperhalli, Kundana and -- Bokipura which are in close proximity to the camping grounds were, as usual, specially guarded by the Taluk and Reserve Police as such toddy shops are generally the sources of disturbance.

Instructions received from Government to the effect that no Civil Bazaars should be opened anywhere in the vicinity of the camping grounds were strictly adhered to.

Demand for carts was, as usual, heavy and the Amildars of Devanhalli and Dodballapur who had very short previous notice managed to meet the requisitions of the several Batteries encamped

(17

encamped at Birasandra without any complaint.

I proceeded to Hoskota on the afternoon of the 12th January 1910 and was present with the Infantry Brigade undergoing training from the 13th to the 16th January 1910, prior to taking part in the combined manoeuvres which commenced at Sulibele on the 16th and came to a close on the 21st January 1910, when all the troops returned to Bangalore.

The Amildars of Devanhalli, Dodballpur and Hoskote Taluks rendered me all possible help and with their co-operation and the aid of the Police the camp arrangements were made effective.

I have the honor to be

Your most obedient servant.
